

Dear Fellow Boat Club Member

Please find enclosed/attached an application form with which you can apply for/renew your Club Membership for the New Season.

You should indicate whether or not you require a mooring¹ and also indicate whether or not you require storage². Storage and Facilities will be invoiced from the Community Trust and not the Boat Club. Your indication as to whether or not you require storage is for guidance only by the club. Please note that New Members have an initial charge of £50 towards moorings of which £20 is refundable for the Bouys.

Please indicate the type of membership you require for the coming New Season. If you have indicated that you require a mooring, then on confirmation of your remittance, the Club Chairman [David Washer] will furnish you with a Mooring Agreement Form, which you will then be required to complete and submit to the Mooring Team [Dave Fulton].

The Club would appreciate it greatly if you could please complete the section for your boat and insurance details for this season (Only new members with a boat need to submit two photographs of their boat) Please NOTE that the Community Trust will also require a copy of your Current Boat Insurance.

It would also be greatly appreciated, if you have not already done so, to include a photograph of yourself for the Boat Club records.

All Cheques and Postal Orders should be made payable to - **North Queensferry Boat Club**
The completed and signed form, along with remittance can be sent to:
